SUMMARY

- Experience in applied research and design focused primarily on user specific needs within software and digital experiences.
- A background in primarily design with a side focus in web and back-end development.
- Skilled at working in a collaborative fast-paced environment and being able to offer design ideas based on both system requirements and the target user.

EXPERIENCE

Graphic Designer | Century 21 Galloway Realty | Oswego, NY | Aug 2015 – Dec 2016

- Create regular graphic designs to be used for different types of advertisement purposes (Magazine, Event banners, Website graphics, Social Media)
- Offer ideas for future website designs.
- Worked with the in-house online regulation system that helped the employees keep track of their real estate deals

Research Assistant | State University of New York at Oswego | Oswego, NY | Aug 2015 – Dec 2016

- Performed descriptive and multivariate statistical analyses of data, using SPSS software.
- Used a variation of research methods to compare memory categorization during the word retrieval Process.
- Compared response time in between words during memory categorization.
